

4-20-2022

This is WEEK FOUR of our Treasure Hunt. Each week there will be a new location for your family to find. A close-up picture and clue will be sent on Mondays. At some point in the week, send in a picture of your family in front of the found item or a picture of just the item itself to laurie.riehl@sd8.b.ca . Every week that you find the item, your family's name gets an entry into the draw (possible total of 6 entries). The locations are family friendly spots in the Creston Valley. At the end of six weeks, we will draw for fabulous prizes (thank you to the PAC for donating a chunk of money for this). All students who even find one of the clues will receive a DQ treat.

Which Park is it?

Complete the crossword puzzle below

Across:

4. A game with two people and a net and a ball
5. A game of two teams with a net and a ball
6. You climb on it
