

April 4, 2022

Good morning Homelinks families! We have a few news items:

- If you took out a popsicle bridge kit, please have them back by 3 pm tomorrow (Tuesday).
- Outdoor Ed for grades K – 3 starts tomorrow. Please meet at Schikurski Park from 1 – 2:30. Email Kristina.leidums@sd8.bc.ca .
- K – 7 students, keep working on your addition facts (K -3) and multiplication facts (4-7)
- Remember to keep the Entrepreneurship Challenges in mind. See the attachments with more information.
- Note we are closed April 15th and 18th for Easter weekend, as well as Monday, April 25th for Professional Development.
- This is **WEEK TWO** of our Treasure Hunt. Each week there will be a new location for your family to find. A close up picture and clue will be sent on Mondays. At some point in the week, send in a picture of your family in front of the found item or a picture of just the item itself to laurie.riehl@sd8.bc.ca . Every week that you find the item, your family's name gets an entry into the draw (possible total of 6 entries). At the end of six weeks, we will draw for fabulous prizes (thank you to the PAC for donating a chunk of money for this). All students who even find one of the clues will receive a DQ treat. See the attached clue and picture. 21 families found the first location!
