1) Dear Homelinks 2022 Grads: The end of the year is fast approaching and I know many of you are working hard to complete your course work. If you could please take a minute to fill out this graduation survey it would be greatly appreciated. <https://forms.gle/Mzu8iF8rye1JeqdP9>

2) Homelinks Entrepreneurship Challenge and Competition

We are excited to announce our first ever Entrepreneurship Challenge and Competition. This will hopefully be the first of many over the years. Thank you to our very own Homelinks Teachers Ms. Kristina Leidums and Mr. Marc Bieri for putting this together.

Who can participate? All Homelinks Students, either in teams or as individuals.

What do I do? First you decide if you want to participate in the Challenge or the Competition. Both are open to all ages, however, the Challenge is designed for elementary students and the Competition is designed for Middle and Secondary Students. Next, download the handouts for the Challenge and Competition guidelines.

Where will the event take place? Virtually! In an effort to make this accessible to all three Homelinks campuses the events will take place virtually (details to come).

Will there be prizes? Yes! We don't know what they will be yet, but they're going to be AWESOME!
