

3/28/2022

Good morning Homelinks Families and welcome back! We hope all of you had a fabulous Spring Break! We have a couple of messages:

1. This is **WEEK ONE** of our Treasure Hunt. Each week there will be a new location for your family to find. A close up picture and clue will be sent on Mondays. At some point in the week, send in a picture of your family in front of the found item or a picture of just the item itself. Every week that you find the item, your family's name gets an entry into the draw (possible total of 6 entries). The locations are family friendly spots in the Creston Valley. At the end of six weeks, we will draw for fabulous prizes (thank you to the PAC for donating a chunk of money for this). All students who even find one of the clues will receive a DQ treat.

2. We are excited to announce our first ever Entrepreneurship Challenge and Competition. This will hopefully be the first of many over the years. Thank you to our very own Homelinks Teachers Ms. Kristina Leidums and Mr. Marc Bieri for putting this together.

**Who can participate?** All Homelinks Students, either in teams or as individuals.

**What do I do?** First you decide if you want to participate in the Challenge or the Competition. Both are open to all ages, however, the Challenge is designed for elementary students and the Competition is designed for Middle and Secondary Students. Next, download the handouts for the Challenge and Competition guidelines.

**Where will the event take place?** Virtually! In an effort to make this accessible to all three Homelinks campuses the events will take place virtually (details to come).

**Will there be prizes?** Yes! We don't know what they will be yet, but they're going to be AWESOME!

**Questions?**

- For questions about the Challenge (non-competitive) please reach out to Ms. Kristina Leidums at [kristina.leidums@sd8.bc.ca](mailto:kristina.leidums@sd8.bc.ca)
- For questions about the Competition please reach out to Mr. Marc Bieri at [marc.bieri@sd8.bc.ca](mailto:marc.bieri@sd8.bc.ca)

We can't wait to see what you come up with!!

3. Please join us this Wednesday March 30th at 10:30 am at this Google Meetings link below.

PAC meeting

Wednesday, Mar. 30 • 10:30 – 11:30 a.m.
