

3/9/2022

Good afternoon Homelinks families. There are just a couple of news items:

- Elementary classes are as usual this Friday with the addition of a group of preschoolers joining in with our primary class for a part of the morning. If you have a four or five year old, they are welcome to join in, too. You can register with strongstart@valley.services.
- Spring Break starts next week. We will be back Monday, March 28th. We will also be closed Good Friday, April 15 and Easter Monday, April 18.
- Homelinks has organized a six week Treasure Hunt. This will start March 28th and is for all grade K – 12 students. There will be six locations for you to find (as a family). All locations are in the Creston Valley. A clue and close-up photo of the item will be emailed out every Monday. When you find each location, send a picture of it to laurie.riehl@sd8.bc.ca, and with each photo sent, your family will be entered into a fabulous draw. Thank you to our PAC for donating a few hundred dollars towards prizes. Note that at the end of the six weeks, every student who attempted the Treasure Hunt will receive a delicious DQ treat. See the attached poster.
- If you took a popsicle bridge kit, please return them by April 7th. The earlier you construct them, the stronger they are since the glue will have more time to dry.
- Watch for news regarding an upcoming entrepreneur fair!

Have a fabulous Spring Break!
