

October 14, 2021

Good morning Homelinks families! Attached is our handbook, in case you haven't seen it. We have a couple of news items:

- This Friday, Oct 15, Pottery is a go for the two intermediate classes. Note last week's schedule has been postponed to this Friday.
 - Aloha Palmer's gr 3 – 5 group **starts at 9 am at Pridham's Pottery** (across from Kingfisher books – 138 12 Ave N). Please be on time. You will walk back to Homelinks for snack and PE and will be picked up at Homelinks at the regular noon time.

- Paige Boehmer's gr 6 -7 group starts at 9 am at Homelinks and will walk up @ 10:40 pm to Pridham's for pottery. You need to be **picked up at noon at Pridham's**. Any student not picked can be found walking with their teacher back to Homelinks.
- Laurie Riehl's K – 3 group is at Homelinks for the whole morning. They will be at pottery at 9 am on October 29th and November 5th.

- Friday, October 22nd is a Pro D and there are no classes. This is the last time a Pro D is held on a Friday, until February.... :)
- The Wednesday primary class was treated to a showing of some of the grade 10's creation of pop-up books. What a fabulous feat of engineering...in such a fun and educational way. Thanks for sharing! We were amazed. Wednesday's will continue to be a 'bring your work to class' morning.
- Fridays from 1:50 – 2:50 is PE and all grade 8 – 12 students are invited.
- The grade 8 and 9 class has postponed the Terry Fox run for spring.
