Grade 3

In the Primary years, children are assessed and evaluated according to their individual progress. It is expected that young children will acquire skills at differing rates and times.

The following checklist of learning outcomes is used to describe student progress. Checked boxes indicate learning outcomes covered to date.

1st term 2nd term 3rd term

1 " term	Z" term	3.4 tern
		1st term Znu term

MATHEMATICS		
Can count to 1000 by 5's, 10's, and 100's		
Can add and subtract to 1000		
Recalls addition and subtraction facts to 18		
Knows basic multiplication facts up to 5 x 5		
Understands the concept of division		
Demonstrates an understanding of fractions		
Tells time to the minute		
Knows how many seconds are in a minute and minutes in an hour		
Demonstrates an understanding of length, mass, and perimeters using standard units		
Understands basic shapes		
Constructs, labels, and interprets bar graphs		
Illustrate, concretely and pictorially, the meaning of place value for numerals to 1 000		

SOCIAL STUDIES Communities Past and Present		
Identifies cultural similarities and differences		
Makes and uses simple maps to interpret and present information		
Summarizes the roles and responsibilities of local governments		
Identifies significant landforms and bodies of water on a map in BC and Canada		
Demonstrates a sense of responsibility for the environment		
Identify characteristics of the provinces and territories of Canada, and Canadian society		
Identify how a community changes overtime		

Classifies familiar plants according to appearance and life cycles		
escribes ways in which plants are used and/or important to other living things and the environment		
exercises how structures are made using different materials		
escribes the solar system		
ompares familiar constellations in seasonal skies		
omputes familiar constending in seasonal states		
IEALTH AND CAREER		
considerate and respectful of others		
ses appropriate strategies to resolve conflicts		
emonstrates the importance of healthy lifestyle choices		
an state ways to help prevent the spread of disease		
emonstrates ways to avoid dangerous situations		-
		<u> </u>
		1
INE ARTS		
reates images using a variety of tools and materials		
articipates in Homelinks Aboriginal classes		
articipates in Homelinks Handwork classes		
articipates in Homelinks/KHE drama experiences		
PHYSICAL EDUCATION		
Has met the daily physical activity requirement this term (30 minutes moderate to vigorous activity)	<u> </u>	1
articipates willingly in physical activities		
Demonstrates proper technique in physical activities		
Demonstrates respect and encourages others		
Demonstrates leadership in physical activities		
Demonstrates safe behaviours when participating in physical activity
