Sewing Club - survey of interest has been sent out. Tentative dates scheduled for Wednesday mornings, beginning either January 28 or February 4. Students are able to use Student Learning Funds to purchase a basic supply kit (approximately \$20).

Resource Library - Mr. Mitchell is in the process of cataloguing all the items and is receiving help with that. Next, he will work on clearing the physical location where items will be stored (top of stairs outside his classroom).

Winter Family Dance - Traci is investigating venues for Saturday, February 21. Discussion of making it a potluck. More info to come once a venue has been solidified.

Westcoast Seeds - Fundraiser is set for January 30 - February 20. All seeds will be shipped together and available at the school for pickup. Students are encouraged to let their families and friends know and invite them to shop through our unique webpage or QR code.

7. New Business:

Talent Show/Recital/Performance - Discussion around if this could be of interest to students and families. Other local schools spend time and energy encouraging performance and there was curiosity how Homelinks could also do the same. A few parents have offered their willingness to help try to arrange an opportunity.
